The CHIPPENDALE® collection

Thomas Chippendale understood the relationship between design and craftsmanship. He created pieces that were functional and practical, as well as beautiful. His versatility as a craftsman meant he was commissioned to furnish some of the greatest houses in the country.

Established as the most celebrated cabinet maker of the Georgian period, his great strength as a designer was his ability to continually adapt and improve on existing styles. Graceful lines, effortless functionality and distinctly British design – these are some of the characteristics associated with the CHIPPENDALE name.

‘There is no doubt that Thomas Chippendale was a supreme influence, an inspiration which is with us to this very day.’

The tradition continues with our CHIPPENDALE kitchen collection, creating solid yet beautifully elegant furniture, that fits seamlessly into your life and home. That’s as important to us as it was to our namesake.

British Design

British design is recognised the world over for innovation and creativity.

When you purchase a CHIPPENDALE kitchen, you are acquiring an exceptional British kitchen to suit your lifestyle.

Our range of quality kitchens are manufactured, using the finest materials, in our purpose built factory. Our kitchens have been awarded the Made in Britain status.

Her Royal Highness, the Countess of Wessex

Our new warehouse and office complex was officially opened by Her Royal Highness the Countess of Wessex, GCVO, taking the factory footprint to 405,000 sq ft.

“I’ve always loved CHIPPENDALE kitchens. They’re stylish, last forever and are beautifully made. Now they have vibrant colours too.

I love colour. It is such a great way to express personality and can make your kitchen unique. CHIPPENDALE’s colours can easily be paired to create an eye-catching yet modern kitchen.”

All of our kitchens come with the optional addition of Clever Storage products from Kesseböhmer, which means your new kitchen design won't just look great, but will make time spent unpacking shopping, preparing meals, and tidying up both quick and easy.
