Tactile Texture

Create visual interest and depth by using a diverse range of textures within your design. A dramatic colour choice and exposed brickwork pair beautifully with delicately etched hardware.

Matte Black knurled bar handle and T-bar add an industrial chic twist whilst classic design staples like Aldana's shaker door style and timeless Calacatta Marble worktops effortlessly blend to balance the space.

For a polished look, opt for a timeless finish like chrome in classic styles to compliment your furniture choice. The lustrous effect of the knobs, cup handles and D-handles reflects the playful colour combination of Pantry Blue and Porcelain, inspired by the home's coastal surroundings. Incorporate natural materials such as oak and wicker to balance the design and compliment Winslow's real woodgrain.

Harmonious Hardware

Linear Lines

Create a minimalist haven with slab doors, integrated appliances and a colour matched handleless rail system. Less is more in this compact space, keeping fuss to a minimum with a streamlined design. The graphite handleless rail takes a back seat allowing Zola Matte's smooth finish and Tavola's rich horizontal woodgrain to take centre stage.

Handleless rail: Graphite
Also available in: Aluminium, Brass
plus 30 standard paint-to-order colours
and Colour Match Service

Door finishes: Parched Oak & Graphite

Combine modern style with a classic monochromatic palette for a contemporary yet timeless feel. The clean lines of the D-handles mirror Dawson's sleek design whilst the darker Matte Black shade subtly contrasts with the Graphite cabinetry. Dark Terrazzo Marble effect worktops and splashback with varying hues of grey complete the look seamlessly.

Metal Medley

Add a contemporary edge to a classic design like Winslow by tearing up the rulebook on co-ordinating metal finishes. Create dimension in your space by pairing contrasting colourways like traditional chrome with on trend satin brass. Balance the polished metals with earthy textures such as stone and oak for added warmth.

The rich yellow undertones balance the striking contemporary colour palette adding a luxurious finishing touch.

Bold as Brass

The Handle Collection

It may seem like a small decision, but the right handles will transform your space's appearance.

Consider a variety of finishes, from polished chrome to the neutral warmth of nickel or the stark contrast of black.

Embrace the diverse design options, opt for square knobs, shapely cup handles or textured bar handles to name a few.

Whether you are aiming for timeless elegance or a contemporary chic aesthetic; our extensive range and network of approved independent retailers will ensure your vision is brought to life.
